

ACC GP SJ

WHY ACC

- ✓ ACC offers products from the **top-class** activated carbon manufacturers.
- ✓ ACC ensures a **one-stop service** for various demands from customers.
- ✓ **Double quality guarantee** from both manufacturer side and ACC side after production and before delivery.
- ✓ Approved by many authorized institutions from different fields such as **NSF, BV, HALA, Kosher**.etc.

This product is made of raw materials of high quality coconut, almond and walnut shells through scientific refining method. It is black in appearance, non-toxic and tasteless, with large pores.

It is featured by large specific surface area, strong adsorption capacity, high mechanical strength and fast filtration speed.etc.

This product is extensively applied to pure water purification, power station boiler raw water purification, vehicle exhaust recycling, air purification, catalyst carriers, precious metal extraction, solvent recovery, drug decolorization, and purification of industrial and drinking water.etc.
