

ACC Phar SJ

WHY ACC

- ✓ ACC offers products from the **top-class** activated carbon manufacturers.
- ✓ ACC ensures a **one-stop service** for various demands from customers.
- ✓ **Double quality guarantee** from both manufacturer side and ACC side after production and before delivery.
- ✓ Approved by many authorized institutions from different fields such as **NSF, BV, HALA, Kosher**.etc.

This product is made by high quality wood shavings through scientific method. With the appearance of black powder, this product is featured by large specific surface area, strong adsorption capacity, fast filtration speed and high purity of decolorization, etc.

It applies to the bleaching purification of dyes, pharmaceutical raw materials, pharmaceutical intermediates, biochemicals, plant extracts and other products.
